16775 Von Karman Avenue, Suite 100  
Irvine, CA 92606

Your potable water consumption in January, 2016 compared to January, 2013 **increased** by 5%. Enclosed you will find a chart detailing your usage.

For the third month in a row, South Coast Water District did not meet the State Water Board required 24% reduction of potable water consumption. District-wide we achieved a 21% reduction in January, 2016.

Please make any necessary adjustments to your potable irrigation systems or potable indoor usage.

The sprinkler system watering day continues to be:

**Wednesday before 9AM or after 5PM**

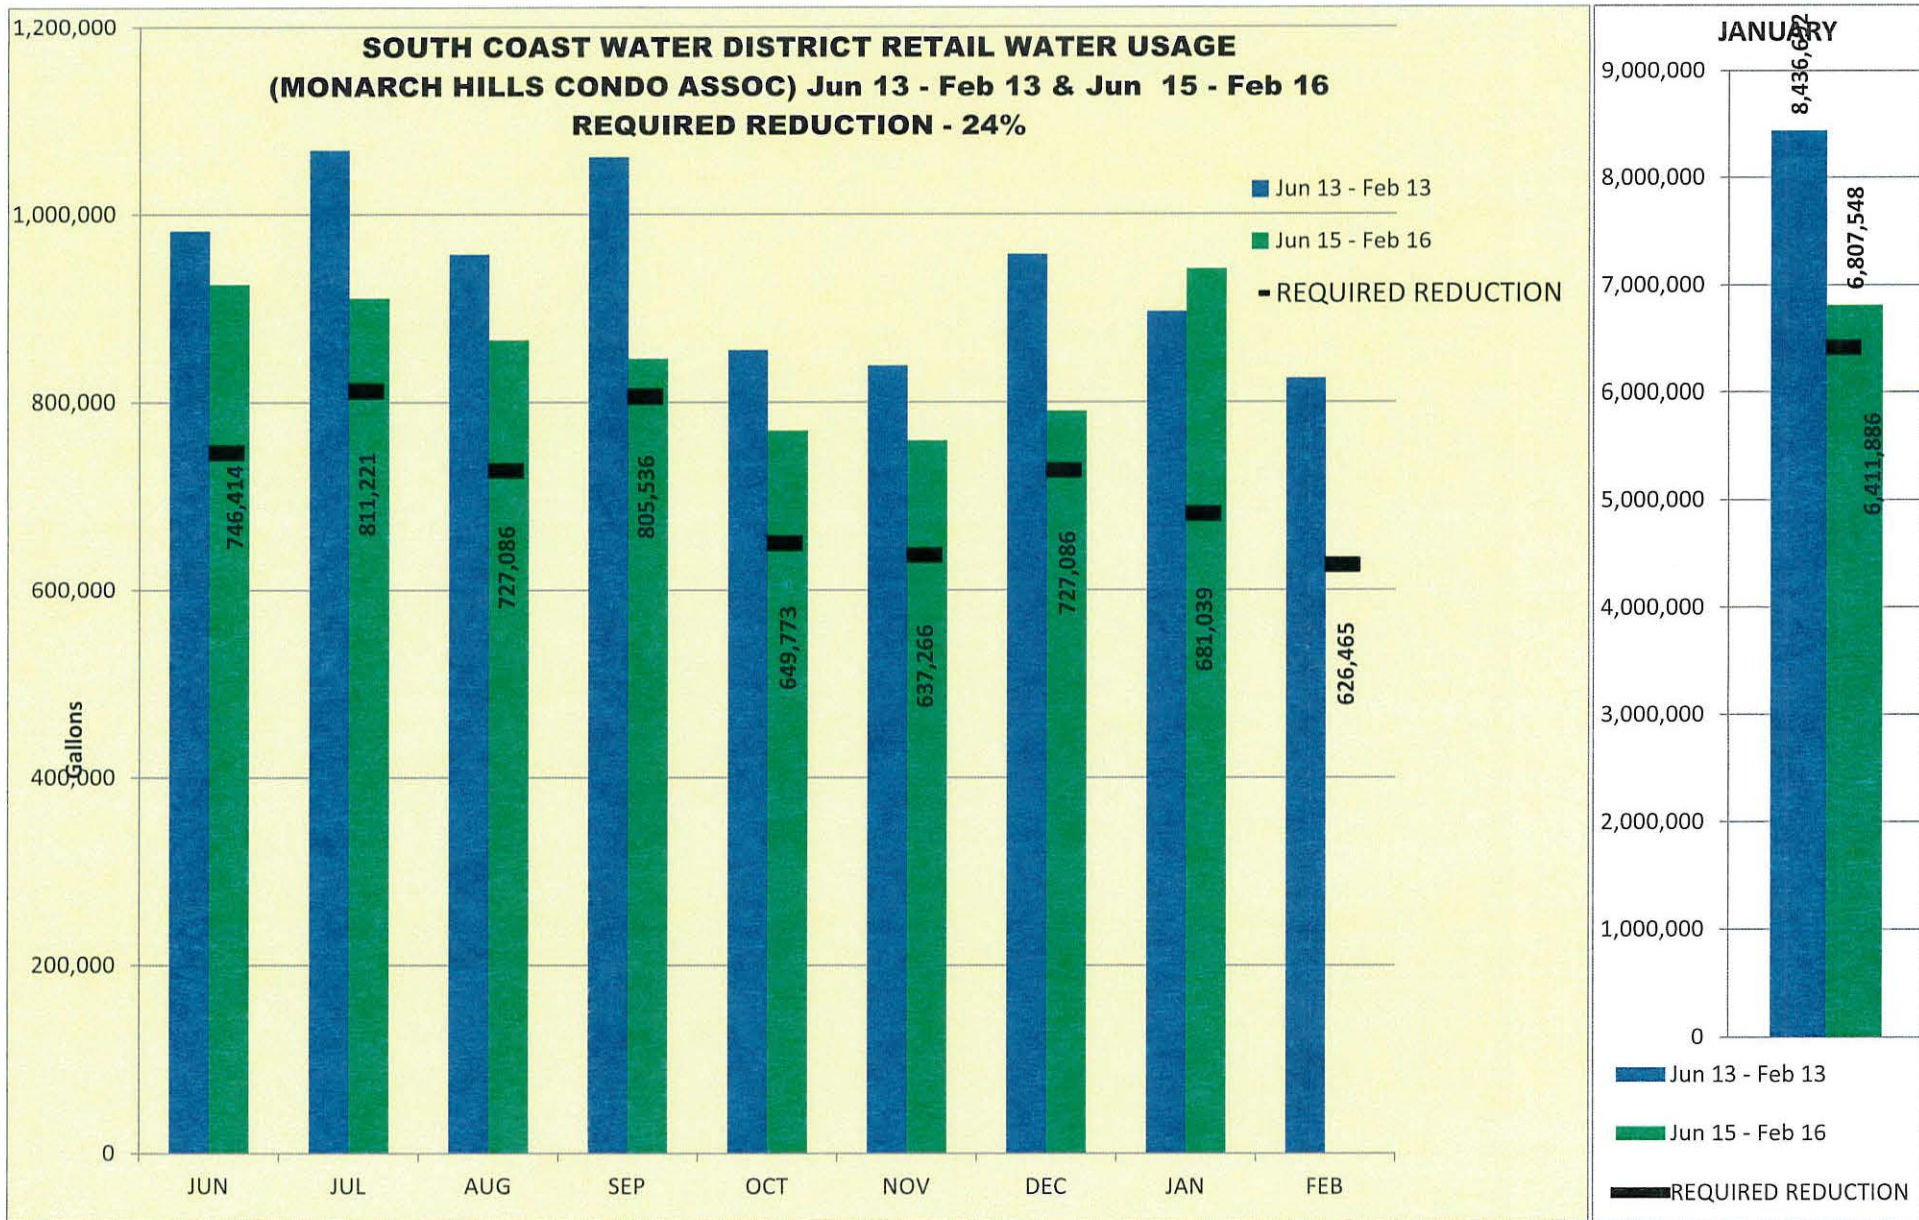

**As a friendly reminder, if there is a power outage in your area, please check your sprinkler controller to confirm that the system did not return to factory default settings**

Feel free to contact our office at (949) 499-4555 ext. 1 to speak with a Customer Service Representative about your water usage. Every Drop Counts!

Sincerely,

A handwritten signature in black ink, appearing to read 'Brunhart'.

Andrew Brunhart  
General Manager
